13. – 16. 10. 2022
City of Liberec, Czech Republic

We cordially invite you to participate in the Collectors' Sales Expo, which will accompany the European Stamp Exhibition LIBEREC 2022. We expect the participation of a number of auction houses, postal administrations and dealers from all over Europe.

The European Stamp Exhibition LIBEREC 2022, **held under the auspices of FEPA with the recognition of FIP**, is **one of the most important philatelic events of this year**. The expected size is 1200 exhibition spaces.

The event will be accompanied by the **associated exhibition Polar Salon LIBEREC 2022, an international polar philatelic exhibition held every three years** in various locations around the world.

The organisers expect **a massive turnout of visitors from collectors and the general public** from home and abroad.

The legendary **red Mauritius** and **Czechoslovak unique stamps** from the collections of the Postal Museum will be on display.

Rare letters and postal documents from the period of the conquest of the poles will be on display at the Polar Salon, including **signatures of famous polar explorers such as Roald Amundsen**.

The event will also be accompanied by **a rich supporting programme** including autograph sessions and public tours of the most interesting exhibits led by leading experts.

The European Stamp Exhibition LIBEREC 2022, the Polar Salon and the Collectors' Expo are located in the Wellness Hotel Babylon and the Liberec House of Culture. Both venues are within walking distance of each other and are located in the centre of Liberec.

The Expo is organized by Double Impact s.r.o., which organizes the international fair SBERATEL in Prague and arranged the Expo for the World Stamp Exhibition PRAGA 2018
