

ONCE UPON A TIME A CHRISTMAS TRADITION

Christmas is the moment of the celebration of the birth of Jesus.

Christmas is a time of peace, of love, of exchanging gifts of joy and especially of joining the family. Some people are very busy with Christmas shopping, others are busy with Christmas cards. But the most important thing is lunch and family Christmas dinner.

Christmas Eve, Santa Claus leaves the presents under the Christmas tree. In the morning, the children are excited to receive the gifts the happy adults, everyone is happy.

In my exhibition I show the most common Christmas traditions in Portugal and abroad. Santa Claus is one of the most important traditions because he brings the gifts to the children. There are other Christmas traditions, such as Christmas tree, Nativity scene, Christmas wreath, Christmas shopping, among others.
